Make an Impact on Your Campus!
Strategies for Implementing the
ACRL Value of Academic Libraries White Paper

MOBIUS Conference 2013

Laurie Hathman and Danielle Theiss

Exercise One: Entire Group

Question: What is the impact that your library is having on student learning?

• What evidence is out there that would help you determine this?

Exercise Two: Small group discussion

What is the impact the library has on freshman to sophomore year retention rates?

• What evidence do you already have? What data would need to be created or found?

• Is the evidence measurable?

• What methods used by your campus might help you determine impact?
